Paul Devro BIOGRAPHY

Paul Devro is a smalltown boy turned world traveling dj by bringing his own brand of party music to the sweatiest dancefloors. Since being picked up by tastemaker, Diplo to be the face of the Mad Decent Blog and Official Mad Decent DJ, Paul has Djed everywhere from India, Russia, across US and all over Europe. He's had the honor of playing alongside Crookers, Justice, MSTRKRFT, Chromeo, Diplo, Fake Blood and A-trak to name a few. And with his highly praised mixtapes for We Make It Good, Dazed, The Fader and XLR8R along with his secret stack of tracks, he proves that he has the ear to turn out any crowd.
